

Spring / Summer Newsletter

Dear Parents,

As we finally see signs of the weather warming up, and we are looking forward to summer, Fairview would like to take this opportunity to welcome the new families that have joined us in 2015. I would also like to take this opportunity to thank my staff for their continued dedication and hard work in making everyday an enriched learning opportunity for your child.

GENERAL REMINDERS

- All children must be in by 10 a.m.
- Please remember to sign your child in at arrival and sign him out at pick up time

- Closing time is 5:30 p.m. and late fee policy is strictly enforced.
- Payments are due between the 20th and the last day of the month for the following month.

Preschool Graduation

It seems hard to believe that most of our senior preschool children will be starting school in the Fall. How quickly they grow up!!! Of course, Fairview cannot let them go without a proper send off. Therefore, it is our great pleasure to announce that our graduation ceremony will take place on Friday July 3rd. Invitations will be sent out to graduating families at the beginning of June and of course, siblings and grandparents are welcome to attend the ceremony.

Sun Protection

As we protect our children from the cold, it is equally important to protect them from the sun. Please remember to provide for your child sunscreen and a hat on a daily basis. It is recommended that you keep a hat in your child's cubby. This way, you have one less thing to remember each morning and your child is guaranteed to have a hat every day. We would like your child's hat to have some sort of fastener to prevent it from falling off, such as a Velcro strap or a string with a toggle. This is especially important with the toddlers who frequently take off their hats, and we risk them getting lost when the children go on walks.

As toddlers are the first group to have outdoor play in the morning and sunscreen should be applied 20

minutes before going outside, toddler parents are being asked to apply sunscreen on their child before coming to day care.

Your child's safety is extremely important to us. Please do not bring flip flops or open toe sandals to day care. The children tend to trip and fall with flip flops and open toe sandals. Crocs also tend to be slippery on play structures, so please avoid them as well.

Child Profile Books

You may recall staff requesting your permission to allow photos of your child to be used in child profile books. As part of the ELECT (Early Learning for Every Child Today), the staff will be documenting your child's progress following the root skills and indicators of the ELECT document. Please speak to your teachers about the location of

the profile books in your child's classroom and read up on your child's progress.

Staff Changes

As some of you may recall, Tobi had a beautiful baby boy last June and has been on Maternity Leave. She is planning on returning to work mid July. When she returns, she will be joining the Toddler Group.

We would also like to take this opportunity to thank Azza Elhad for her excellent work in the toddler room. She has been an incredible asset to Fairview. We will all miss her – especially her morning greeting committee who line up at the shelves by the cubbies and shout “AZZA” as she walks in the room. We wish Azza all the best as she embarks on her summer vacation abroad and look forward to her returning to supply for us in the Fall.

SUMMER VACATION

We all enjoy time with our families and summer vacation is a perfect time to do so. Do expect our regular staff to be taking time off throughout the summer. We will have qualified supply staff covering regular staff throughout the summer.

Also, please remember to inform the centre if your child is on vacation or sick.

All the staff at Fairview is looking forward to a great Spring & Summer filled with fun and exciting activities!!!
